The design and manufacturing of ceramic microwave components.  
(with product design)

complies with the requirements of the International Automotive Standard IATF 16949:2016 & rules 6<sup>th</sup> edition.

However, we cannot issue a certificate at the moment due to the fact that:

The site is new and does not have 12 months of internal & external performance data for the automotive production and/or service parts in the scope of certification.

DQS Holding GmbH will continue the certification process according to the rules for achieving IATF recognition.

This letter of conformance is valid for a twelve months period.
